Dedication

Our 1957 Beacon is dedicated to our Class Advisers. We love them for their fairness and impartiality; for their sincere interest in our progress; and for their roguish wink that told us they have a sense of humor, too. To them go our gratitude and respect for the time and effort they have so freely spent in helping and guiding us throughout our high school days.

E. H. S. Swimming Pool

Launching

Our last voyage as a class is over; we are safe in harbor. We conceived this our Beacon, in the nautical theme because our days at Eddystone have been as adventurous, as thrilling, as diverse as those of a ship; like it, we too shall grow lonely for some of our oft-visted harbors. Here in this our book, we have assembled our goals all that is remindful of our voyaging. May our followers find in it abundant opportunity to relive again the glory of it all.

Vocational

Thomas Pietras

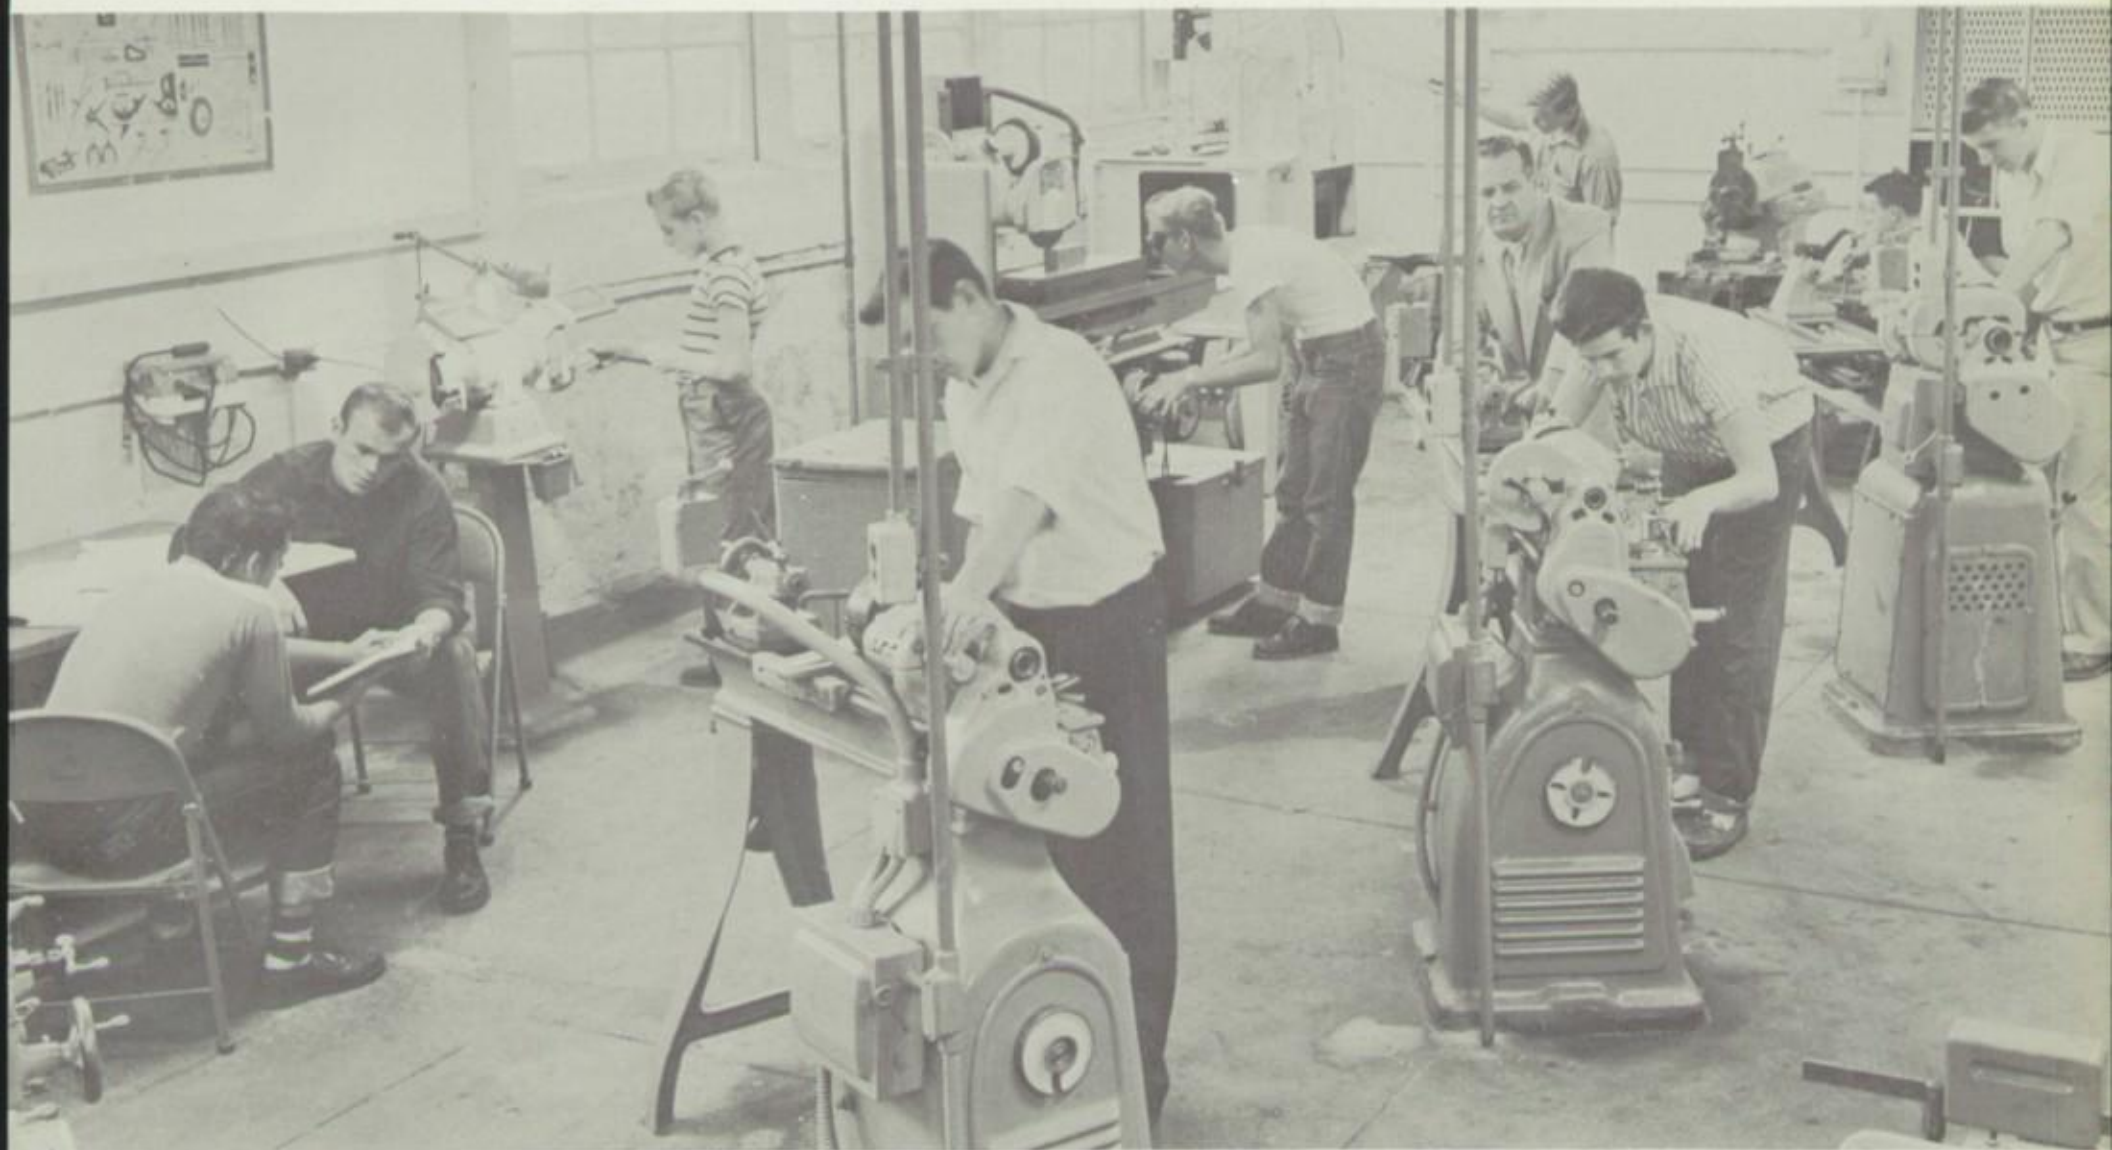

Thomas Pietras 12¹V Trainer, Pa., is shown here operating a 11" engine Lathe. The assignment, a very practical one, a bronze head stock bearing replacement for another lathe now being reconditioned. Thomas is planning to enter industry as a toolmaker apprentice after graduation. He also ranks high in citizenship and his related subjects.

Thomas Gayton 12¹V, operating Radial Drill Press, drilling, reaming, cross holes in special threaded spindles. Tom is planning to enter the heavy machinery industry some place in Delaware Valley, U. S. A. He ranks high in machine shop practices and should go far in his chosen field. This fine lad hails from Brookhaven, Pa.

Education

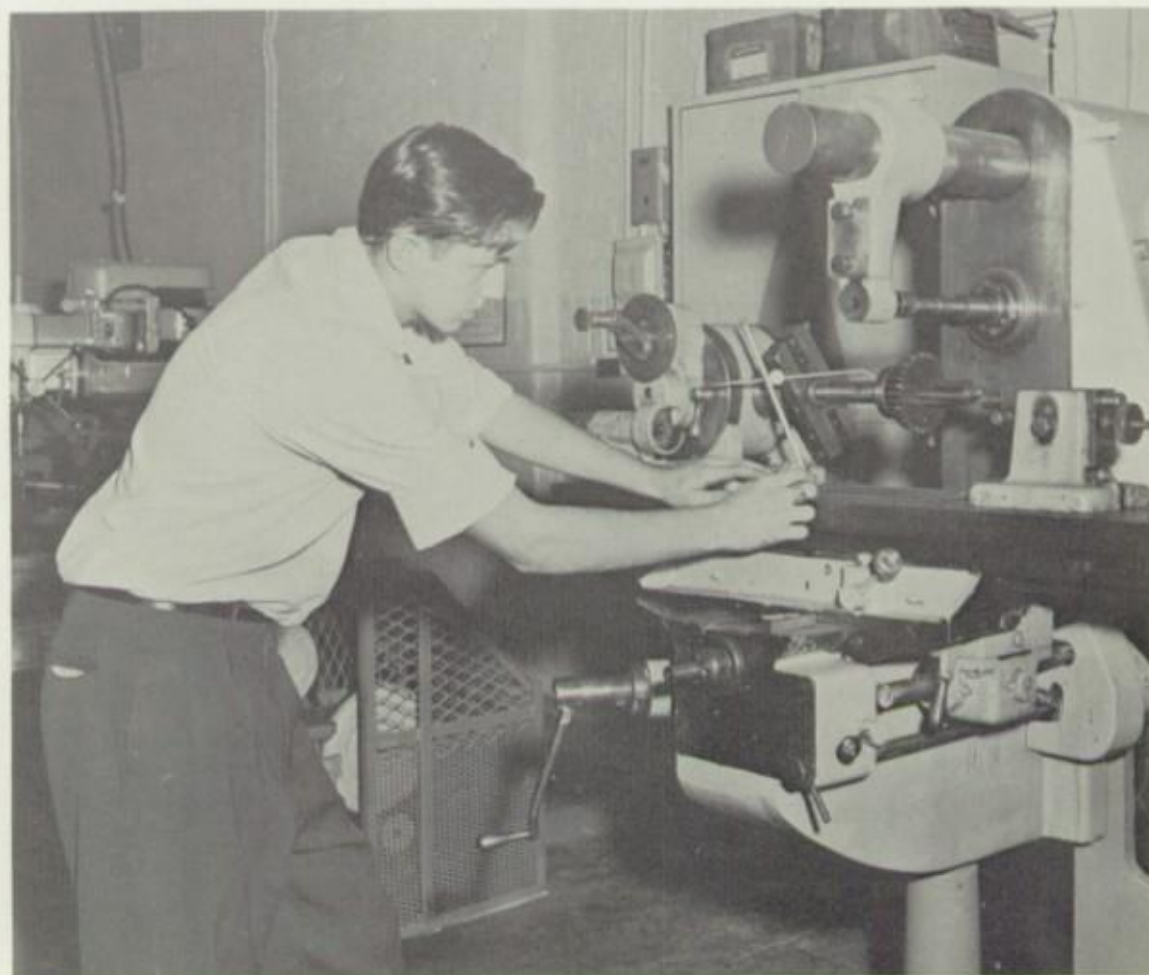

Machine Shop

Left to right Richard Parsons and Donald Franklin 10^2V theory assignment. Wayne Covey 12^1V being observed by instructor Mr. Greiser during a lathe operation. James Sakers 10^2V (rear corner) checking gas furnace. Ken Johnson 10^2V (front left wall) using Pedestal Grinder. Stan Koveleski 10^2V (center background) operating surface grinder.

Thomas Holt 12^1V , student from Colwyn who is preparing for a future in tool design after graduation. His assignment on the Milling Machine is layout of Keyway, to be machined on cluster gear spindle.

Forward-looking concerns are beginning to realize the great amount of skill and training has been given to our graduates through vocational education.

Mr. Kimes, carpentry instructor, watches "Dick" Shepherd (left) and "Bob" Cullison figure their way through a "tough one". Sketching, planning, blueprint reading, bills of material, as well as hand and machine operations are taught to our embryo carpenters.

Our student-carpenters are kept abreast with the fundamentals of every phase of their field.

Blue Print Assignment

Electric Shop Assignment

William Clinger, (left) Chris Downing, Robert Eusden are making a Power Factor Test. In order to do this project the boys had to connect a voltage meter in series with the motor in order to find the power factor of a motor.

A technical background and a knowledge of the practical applications are part of their vocational education.

Vocational Department

Carpentry Shop

A general view of the carpentry shop. In the foreground, the boys are assembling player benches for the athletic department. Many practical and useful projects which have teaching values are completed in the carpenter shop. The machine and hand tools visible in the center and left are part of our training equipment.

"Mickey" Bateman, (left) "Ray" Scheivert and Bruce Shanko putting the finishing touches on the football score board. This is one example of the many useful projects done in the carpentry shop.

No task is too great or too complicated when any project needing carpentry arises.

Vocational

ELECTRIC SHOP: John Smith (Left), and Frank Smith are bending 3/4" conduit to wires. These 3/4" conduits are bent, cut, and fitted to protect them in their various location.

WOOD SHOP: The two Ronnies* Kerestus (Left), and Loveland co-operate in cutting stock on the radial saw. This newest woodworking machine is one of the same tools our boys will use when they enter their trades after high school.

Aubrey Daniels (Left), Abe Lincoln and Len Perkoski are installing a Power Cabinet. This requires thorough precision and accuracy. After the conduits are installed, they are rechecked so that they are sturdy, level, and the proper length.

Department

BILL DRAPER, at the switch board, is putting up breakers to complete a circuit. This produces current which operates a generator for running a D. C. Motor.

Mr. Wheelahan, instructor (Left), and Mr. Rosse', Director of Vocational Education are discussing plans for the installation of fluorescent lighting fixtures for the art room. All major electrical jobs are carefully planned and supervised.

Electric Shop Projects

B. Palmer (Left), and D. Beachboard are cutting number 14 wire for light job in shop. They are in charge of equipment received and doled-out.

STUDENT TEACHER: Instructions are being given by John Smith (Extreme R.) on how to identify the different parts of a battery and two direct current motors. Other members of the class are (Left), A. Lincoln, L. Minney, B. Palmer, B. Draper, D. Beachboard, A. Daniels, B. Clinger, F. Smith, B. Eusden (Kneeling).

The opening number

Football Queen

In the early part of November, the members of the senior high football team met with their coaches to choose their queen and four attendants.

All the girls must be seniors and eager football fans, shown by their attendance at all games with true high school spirit. The five girls are notified before the night of the crowning but the mystery as to whom will be queen is not revealed until that night when the crowning takes place.

A dance is held and the festivities of the queen and her court begin. The queen is escorted to the throne by the captain of the football squad followed by her four attendants and their escorts.

The events of the evening are memorable to all seniors in years to come.

Seniors — Faculty

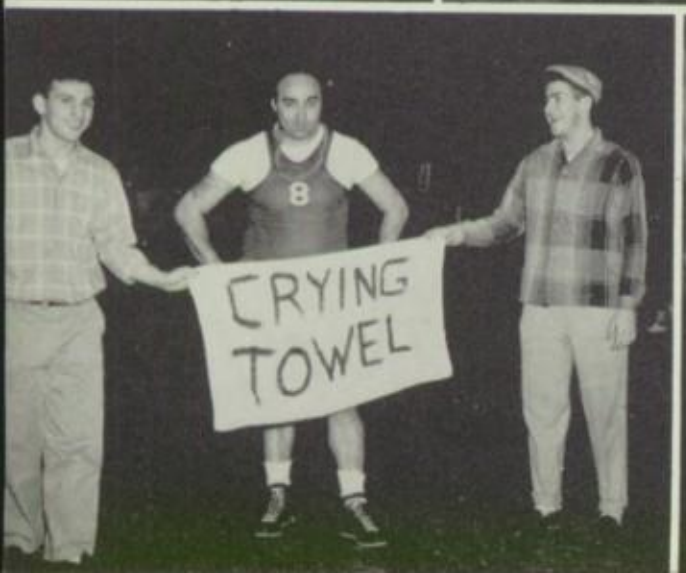

Seniors masquerade as faculty members in a half-hour skit. The faculty follows with impersonations of seniors. Two-basketball games between the male faculty and senior boys; and the faculty females and the senior girls, highlight the evening.

Fun Fest

Each year a date is set aside for the Faculty-Senior fun Fest. Proceeds go toward a scholarship fund.

WAYNE COVEY

Vocational-Machine

Trainer

In June, one of the recruiting officers, either in Chester or Philadelphia will find "King" in line to sign-up for the army. He fervently hopes the army camp to which he is assigned has an organized baseball team since he considers baseball the greatest sport of all.

Activities: Baseball 3,4; Football 2.

ROBERT CULLISON

Vocational-Wood

Aston

According to Mr. Kimes, Bob's carpentry teacher, this boy has what it takes. Bob has visions of owning a business of his own along the building line. It would not seem too fantastic to say that one of us might own a home built and designed by Bob. Perhaps these thoughts of the future originated at Pat's Store where Bob can always be found.

AUBREY DANIELS

Vocational
Electric

Marcus Hook

"Aub," a devilish little character can be seen riding around in his green Ford. He has a weakness for liking girls and music. Next year at the Army football game, we might find him marching in a West Point cadet uniform.

Activities: Football 2, 3, 4; Swimming 3, 4.

The Nurses Club was organized, originated and directed by Beverly McWilliams, a senior, in the year 1955.

The purpose of the club is to create an interest in the students to pursue a career of nursing. The club started with thirty-five members. Meetings are held twice a month. Mr. Harry Rarick served as adviser for the year 1955.

Activities to date are hospital visitation, making cancer bandages, Red Cross First Aid Course and Mother and Daughter spaghetti dinner. Fund raising activities were a bake and a Stanley Home Demonstration.

It is the hope of the charter members that the club will become a permanent part of Eddystone High School Activities.

Future Teachers of America

Students who are serious about pursuing the teaching profession are given opportunities to actually participate in classroom routine. This has been accomplished through the cooperation of Miss Taylor, elementary principal, and Miss Dolbow, faculty adviser.

Study hall periods are utilized by assigning members of the F.T.A. to the class rooms in the elementary school. Here the student partakes of the activities of the school room by observation and in some cases permitted to teach...; a set up sure to promote the teaching profession in general.

Booster Association

BOOSTERS

Eddystone High Boosters' Association was organized on November 15, 1955, by W. Armstrong, D. Marion, C. Wood, J. Webber, C. Ferguson, H. Wood, and R. Johnson.

The purpose of this organization is to create sportsmanship and honor in all major sports in which our students participate. Jackets were given to the boys and blazers to girls who have won a letter in a major sport two years in succession, or have had three years consecutive service.

The association installed a loud speaker for football games, served buffet dinners to our basketball and football teams, and made it possible for our athletes to attend sport contests throughout Delaware County.

The officers of this organization are:

President - W. Armstrong, Treasurer - C. Ferguson, Secretary - R. Johnson, Trustees - W. Powell, H. Davis, and J. Olinick.

ACTIVE BOOSTERS are FROM LEFT: Mrs. Webber, Mr. Ferguson, Mrs. Armstrong. SECOND ROW: Mrs. Ferguson, Mr. Armstrong, R. Marion (Student). THIRD ROW: Mr. Haney, Mrs. Jones, Mrs. Horn, Mrs. Marion. (UPPER RIGHT HAND CORNER): T. Alexander (Student).

THE SEVEN STAGES

ORGANIZATION--T'was an eager, optimis-
tic group that met with their yearbook adviser to
work early in September on that long-awaited
yearbook. After choosing an appropriate theme
we began immediately to do our seemingly easy
assignments. But then-----

PROCRASTINATION--Wait a minute! Looks
like there's more entailed here than meets the
eye. Oh, well, we have until March.

MYSTIFICATION--Let's read that instruction
book again--

CONSULTATION--So that's how it's done!

PERSPIRATION--Is there an aspirin in the
house?

CONDEMNATION--There are too many ob-
stacles to meet those dead line dates.

EXULTATION--The crisis is surmounted! Our
past anxieties seem insignificant. With in-
credulous but joyful eyes we watch the completed
copies go off to press. Gratefully, we express
our heartfelt thanks to Mrs. Scanlan, our ad-
viser, who with her patience and untiring efforts,
guided our faltering steps toward the goal we had
set out to reach--the production of a yearbook
we can be proud of.

SENIOR WRITE-UPS---Long and trying moments were devoted to senior write-ups. Efforts were made to individualize each senior. It was a worthwhile task as these girls came in direct contact with their fellow students. All this was accomplished by (SEATED LEFT TO RIGHT) N. Brittingham, B. Kapsha, M. Fehl. (STANDING) J. E.H.S. Newspaper

The Beam

Our newspaper advisers, Mrs. Cole, and Miss Good with their staff have successfully edited four entertaining newspapers this year. Students have looked forward to new issues of the "Beam" as each contained delightful topics in and around our school.

Sylvia Greenwood, Co-editor, Mary Orange, and the faculty advisers had the pleasure of attending a press conference in the Chester office of Scott Paper Company. Here they were introduced to the stars of the television show "Father Knows Best." The climax was a personal interview with Jane Wyatt.

E.H.S. Choir

This newly organized choir, which replaced the former Glee Club, was made up of boys and girls from grades 10 through 12. The year's activities included several performances in assembly, the Christmas pageant, which was presented with the assistance of the elementary school, and the annual Spring Festival.

The highlight of this latter event was the presentation of the operetta "H.R.H. Miss Jones"; this being the first performance of an operetta at Eddystone since 1941.

An award system for membership in the choir was initiated; this year's seniors being the first recipients of the awards.

GIRLS' ENSEMBLE

The Girls' Ensemble consists of a small, specially selected group of choir members. They performed at the Christmas Pageant and at the Spring Festival.

Eddystone School Band

Directed by Franklin Bratton

E.H.S. Band

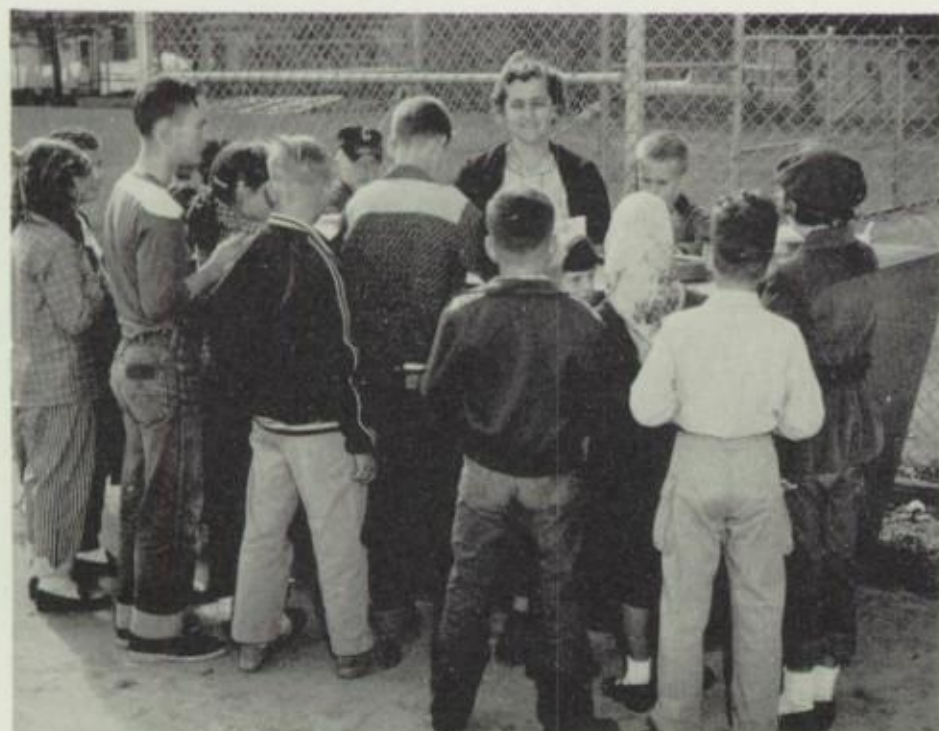

The splendid formation of our band is a familiar sight during football season. It also participates in school assemblies, Spring Concert and the Christmas program.

Our band is in the marching line-up when certain surrounding towns celebrate a special event. On Memorial Day of 1956, it paraded for Pennsylvania Military College. Eddystone's Halloween and 4th of July parades are always headed by E.H.S. band.

Band Boosters

Parents of students in our band have organized and are known as "The Band Boosters." The welfare of the band is their chief concern and interest. They have sponsored a few projects to raise money for the purpose of furnishing new equipment for the band whenever necessary.

A football fan at our home games can get his fill of hot-dogs, soda, candy, pretzels, etc. at the stands operated by the mothers of our Band Boosters.

PLAIN OR WITH MUSTARD--Mrs. Wood serves the weiners under satisfying conditions to her customers.

NO HOT DOGS SOLD HERE--Mrs. DeTulleo, (LEFT), Mrs. Moyer and Mrs. Zukas are selling pretzels, soda, candy, etc.

Hall Monitors

Monitors are stationed at different intersections to direct all traffic between classes to move smoothly and uninterruptedly.

The monitors are under the sponsorship of the Student Council selected from volunteers of the junior and senior classes. It is their duty to prevent pupils from stopping at lockers, or for a drink at the water fountains, or going to the lavatory between classes.

Our student body has always been very cooperative with the hall monitors.

Student Council

Student Council duties and activities are under the direction of Miss J. G. Dolbow. Members act as a link between faculty and student; they sponsor the hall monitor staff; decorate the bulletin board and make up the Social Calendar of the new year which is approved first by the faculty.

Each homeroom is represented by a student elected at the beginning of the year. His duty as a council member is to actively represent his homeroom group in all the proceedings.

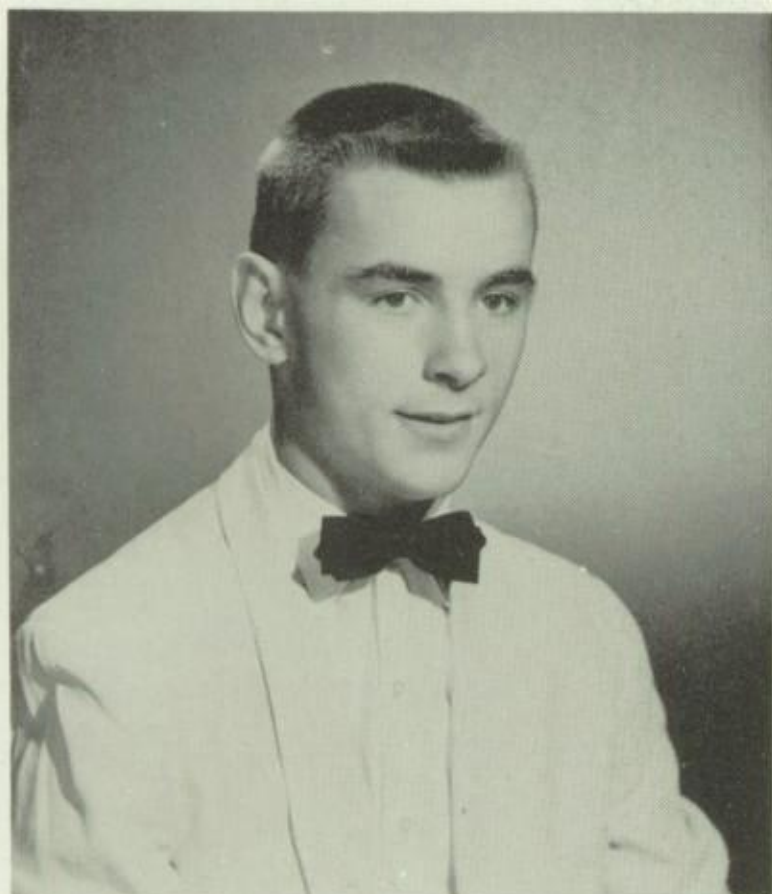

On November 18, 1956, a meeting of all the junior high schools in Delaware County was held in the Bala Cynnewood Junior High, Wayne Titerence, Bill Drake, Ruth Kitchen, and Patti Norman, and Miss Geneva Dolbow attended.

The purpose of the meeting was to discuss problems of the schools and to exchange ideas on such activities as raising money for council purposes. The meeting was followed by a dinner. Everyone went home with new ideas.

Introducing . . .

ATHLETE-OF-THE-MONTH

William Coppock, known to most of us as "Pete", was given the honor of being Athlete-Of-The-Month, after his sensational catch in the Landsdown-Aldan game. The gun had gone off signifying the game was officially over, but because the forward pass was in the air at the time of the gun, the six points were awarded to make the score 12-6 favor of Eddystone in the most thrilling game of the year.

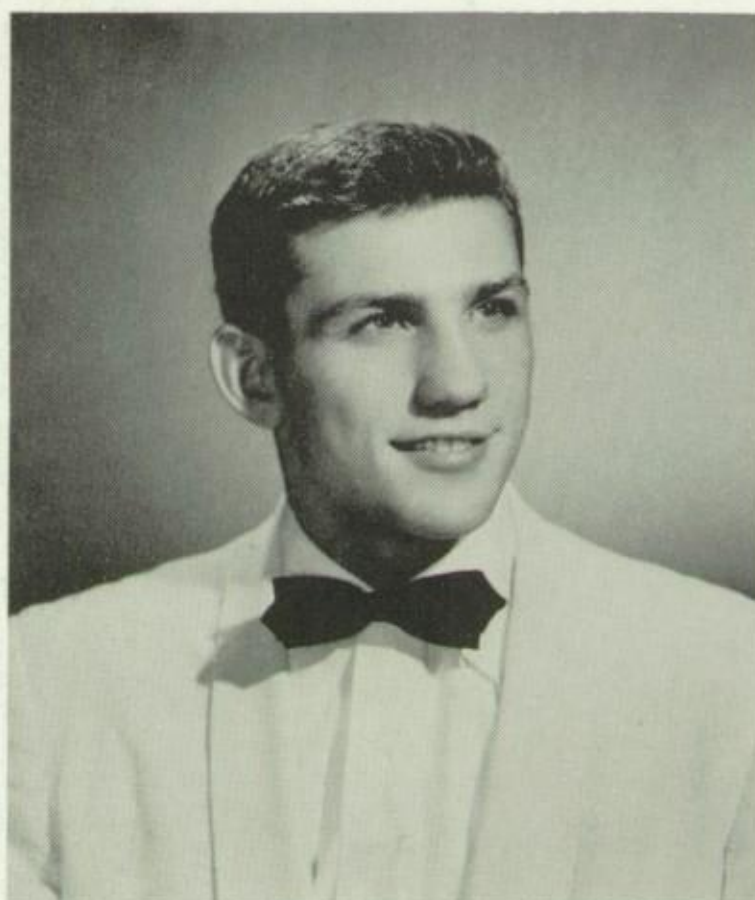

GIRL-OF-THE-MONTH

Ruth Ann Bryan was chosen Girl-Of-The-Month in December by the members of the Business and Professional Women of Chester. This honor is bestowed upon a senior who has been highly recommended by the administration and faculty of her school.

A-REMARKABLE-HOBBY

Don Sadler built Shakespeare's "Wooden O", to scale after studying many sketches and drawings.

BOY-OF-THE-MONTH

Eddie Lucas was guest of honor at a dinner given by the Chester Exchange Club on November 15, 1956. He received a plaque from Mr. Roscoe Ridenour, member of the club's Boy-Of-The-Month committee. Eddie was the choice of administration and faculty.

The National Honor Society offers to high school students one of the most broad accomplishments in the school. The purpose of this Society is to promote scholarship, leadership, service, and character among the students.

To be eligible as a candidate, the first requirement is a scholastic average of "B" (85). All pupils in the junior and senior classes who have attained this average are then voted upon by the faculty and members of the Honor Society. Only five per cent of the junior class and ten per cent of the senior class may be elected in one year. The installation is usually held in March.

Miss F. Geneva Dolbow is sponsor of the National Honor Society.

LEFT TO RIGHT - J. Strader, B. Monahan, E. Likums, D. Sadler.

Scott's Hi-Q

Eddystone Hi-Q team consisted of two seniors, one junior, and one sophomore. The team is very thankful for the help and interest received from Miss Dolbow, the faculty adviser, and from our principals and student body.

On our first meet, we competed against Lansdowne - Aldan and Clifton Heights. We placed second with twenty eight points. The second meet we opposed Springfield and Nether-Providence, scoring eighteen points. The past meet was with Collingdale and Darby with Eddystone being the victor.

Swimming at E.H.S.

Our boys' swimming team coached by Mr. Webber has won 2 meets this season. To win a meet, a team must have 38 points. This is a test of skill and endurance of 40, 100, and 200 yard races, involving free style, back strokes, breast strokes and medley relay.

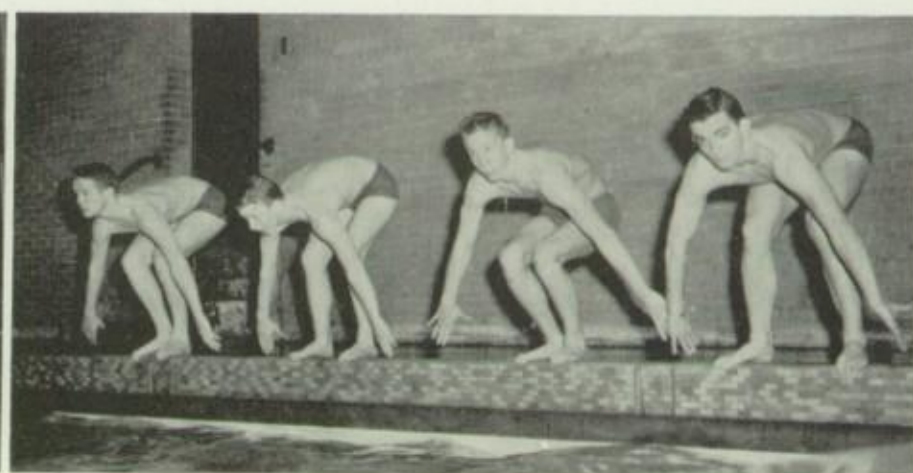

The girls' team, coached by Miss Graham lost only 2 meets. The team attended several meets giving splendid performances and competing against many fine teams. These experiences helped each member to strive for greater achievement.

JR. HIGH FOOTBALL SQUAD

League Record of four wins, two losses and one tie was good enough to warrant a second place League rating for our junior high football squad.

Leaders on this fine ball club that finished their season with an undefeated string of five games were B. King (70), B. Hoffman (69), D. Mears (39) and J. Deaver (42).

A number of underclassmen played so well that coaches Soltner and Zaffiro are anticipating an even better record next season.

JR. HIGH CHEERLEADERS

Our junior high football team was always accompanied by our peppy and colorful junior high cheerleaders. They endured all sorts of weather just to be present to boost the morale of the team. A pep rally always preceded each game with all students displaying their true school spirit.

FOOTBALL SUMMARY

Eddystone has enjoyed a fine season losing only to Interboro, Ridley Park and Ridley Township. The Stoners were the only team to top Lansdowne-Aldan.

The season began with a long-wanted victory over Collingdale 14-0. In the second contest our Stoners won a close one, 12-6 over Lansdowne-Aldan, on a circus catch by Pete Coppock in the last six seconds. In the third game we escaped defeat by scoring two early touchdowns in the first period to win over Sharon Hill 13-6.

Following three straight victories we were set back 20-13 by Interboro.

Victory came easy over Clifton Heights 56-13 as Eddie Lucas picked up 265 yards and three touchdowns. After getting our fourth victory under our belts we beat highly regarded Chichester 21-0.

In the "Game of the Year" Ridley Park nosed Eddystone in the last three minutes, 12-7. The following week we nosed-out Darby 7-6 on Lon Armstrong's extra point.

As the season came to an end, Ridley Township beat us on Thanksgiving 7-0.

Sonny Powell deservedly made the All-Delco Team. He and all the Football Notables are members of the senior class. Some are college-bound, while others will follow ambitions that will continue in their preparation in life's work.

COACH JACK BIXBY

Section Three Champions

This year the Eddystone Varsity Basketball team has reached the top rung on the ladder of success. Although the tallest player on the team, Topper Corcoran was out most of the time because of arm and leg injuries, the team racked up a 13 win and 1 loss record. In their last league game, Coach Bixby's "Stoners" beat Darby (54-53) to become the Section Three champions. Buffington won the crown as the new scoring king on the same night.

Among our many victories were two of the toughest teams in the league, Ridley Park (70-68), and an earlier game with Darby (67-60). With a good record behind them, the "Stoners" got to the Palestra for the district playoffs. Under the leadership of Co-captains B. Buffington and B. Barracliff, and the great teamwork of all the players, our team can go on to the state playoffs. "Good luck boys and keep up the good teamwork and sportsmanship to make the team the best Eddystone has ever had!"

Girls' Basketball

Miss Carson's basketball team, ended the season with 5 wins and 5 losses.

Our J.V. had 5 wins, 4 losses and 1 tie.

The best game for precision and teamwork was with Ridley Park whom we defeated.

The team attended a basketball clinic in Marple Newtown and came home with top honors of 4 wins and no losses.

Our J.V. accompanied the varsity throughout their entire season.
